27–29 November 2024

TOKYO BIG SIGHT in Japan

Organizer:

The Association of Powder Process Industry and Engineering, JAPAN

<https://en.appie.or.jp/>

Welcome to POWTEX® 2024

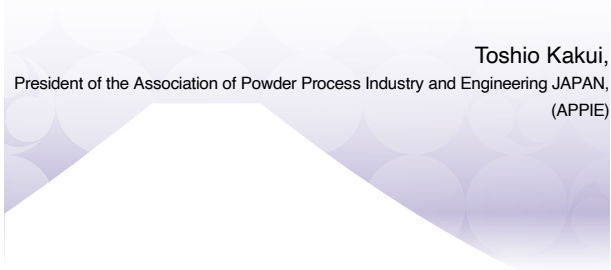

“POWTEX® 2024 (The 25th International Powder Technology Exhibition Tokyo)” will be held at Tokyo Big Sight.

The on-site exhibition will take place from November 27 (Wed.) to 29 (Fri.), 2024, and the online exhibition will be held from November 11 (Mon.) to December 26 (Thu.), 2024.

In addition to displays of products and technologies by a wide range of companies, this exhibition will hold various fascinating events as well as those to be held at the newly established “PX (Powder-technology Transformation) Station.”

We are convinced that these events will provide many visitors with a wealth of valuable information.

We look forward to your participation.

Toshio Kakui,
President of the Association of Powder Process Industry and Engineering JAPAN,
(APPIE)

- Powder handling
- Grinding · Comminution · Pulverizing
- Classification · Screen · Sieving
- Dust collection
- Crystallization · Emulsion · Dissolution
- Mixing · Agitation · Dispersion
- Wet processing
- Fine bubble
- Drying · Cooling
- Mulling · Kneading
- Granulation · Coating · Surface treatment
- Foaming · Tableting
- Additive technology
- Firing · Incineration
- Packing · Filling · Weighing
- Instrumentation
- Engineering · Others

Powder Measuring Instrument

- Particle size and shape
- Particle properties
- Structure of particle surface
- (Dry) Granular material properties
- Particle suspension properties and Slurry characteristics
- Sampling and sample reduction
- Others

Laboratory Machinery

Contract Processing · Contract Measurement

Simulation Software

Powder materials

- Grinding media
- Dispersants
- Functional materials
- Powder materials
- Pharmaceutical excipients

Books, JIS Standards, and Standard Powders

Advanced Material Zone

Technologies & Products for Exhibiting

- Nano materials
- Battery materials
- Pharmaceutical materials
- Food materials
- Composite materials
- Material manufacturing methods
